Title: DECLARATION

Author: TSO & T\*W  
-----

We the people of The  
Silver Order do here  
by declare our  
independence from the  
kingdom state of  
Stormhaven. Their  
failure to aid us in  
our times of need,  
their actions and  
failure to act on  
behalf of, have caused  
the Silver Order to  
declare this action  
effective immediately.  
Our aid to  
Stormhaven has been  
great with not one  
word of gratitude to  
our troops. No longer  
will we aid your  
kingdom in its wars  
and military actions.  
We do not wish to  
break trade or all  
relations with  
Stormhaven, as that  
would prove  
disasterous to all, but  
can no longer stand  
the mistreatment and  
ingratitude towards us  
shown by many of it's  
people and allies. We,  
the undersigned, do  
hereby declare the  
independence from the  
Kingdom of  
Stormhaven and chose  
to keep open  
diplomatic relations  
and trade with our  
friends in  
Stormhaven.
